

✧ ANNUAL TOY DRIVE ✧

COLLABORATIVE PARTNER PROPOSAL

EMPOWERING PEOPLE. STRENGTHENING COMMUNITIES. CREATING SUSTAINABLE IMPACT.

LET'S WERK TOGETHER TO CREATE HOLIDAY IMPACT

This holiday season, WERK ON ME Inc. is bringing our collaborative partners together for our Annual Holiday Toy Drive, an initiative created to help children and families experience the joy of the holiday season while strengthening the network of organizations, businesses, and community leaders working to make a difference.

In 2025, our community came together to serve over 200 hundred children and families. This year, we're looking to expand that impact.

We invite your organization or company to join us as a Collaborative Partner and help us put toys and smiles in the hands of children throughout our community.

4 WAYS TO PARTNER

1. TOY DONOR

Help us fill our collection with new, unwrapped toys for children in need.

Ways to participate:

- Host an internal toy drive
- Purchase toys directly
- Encourage employees, customers, members, or your network to donate
- Make a specific toy sponsorship commitment

2. MONETARY DONOR

Provide a financial contribution that allows WERK ON ME to purchase toys directly and fill gaps based on age and demand.

Every dollar helps us turn community support into tangible holiday impact.

Suggested contributions: \$250 | \$500 | \$1,000+

3. DROP-OFF LOCATION

Become an official community Toy Drive Drop-Off Location.

WERK ON ME will provide promotional materials and coordinate collection logistics, while your organization helps make giving convenient for your employees, customers, members, and community.

4. VOLUNTEER PARTNER

Bring your team together for a hands-on community experience.

Volunteer opportunities include:

- Toy sorting & organization
- Family distribution preparation
- Distribution Day support
- Check-in & hospitality
- Setup / breakdown
- General event support

Corporate, employee, civic, faith-based, school, and community volunteer groups are welcome.
